Psalm 98

7 **Let** the sea roar in all its fullness, the world and they that dwell therein.

1 Corinthians 15

49 Just as we have borne the likeness of the earthly man, **let** us bear now the likeness of the heavenly man. 48 **Let** nothing move you, dear brothers. Stand your ground. Always give yourselves fully to the work of the Lord, because you know that your labor in the Lord is not in vain.

Philippians 2

3 **Let** nothing be done out of selfish ambition or vanity. **Let** it be done rather in humility, considering others better than yourselves. 14 **Let** everything be done without complaining or arguing, 15 so that you're blameless and pure, children of God, without fault.

5 3 **Let** nothing be done through strife or vainglory. **Let** your attitude be that of Christ Jesus who made himself humble, even to bearing the cross.

WEDNESDAY -- S&H – 6 10 15 – “LETTING - AS IN ALLOWING”

S&H 249:5

Let us feel the divine energy of Spirit, bringing us into newness of life... **Let** us rejoice that we are subject to the divine "powers that be."

S&H 276:1

"**Let** this Mind be in you, which was also in Christ Jesus."

S&H 444:13

Let us be faithful in pointing the way through Christ, as we understand it... **let** us also be careful always to "judge righteous judgment," and never to condemn rashly.

S&H 390:12

Let your higher sense of justice destroy the false process of mortal opinions...

S&H 407:17

Let the slave of wrong desire learn the lessons of Christian Science,

and he will... ascend a degree in the scale of health, happiness, and existence.

S&H 239:11

"Let the wicked forsake his way, and the unrighteous man his thoughts."

Let it be understood that success in error is defeat in Truth....

S&H 384:30

Let us remember that the eternal law of right... exempts man from all penalties but those due for wrong-doing.

S&H 407:21

Let the perfect model be present in your thoughts instead of its demoralized opposite.

S&H 249:1

Let us accept Science, relinquish all theories based on sense-testimony, give up imperfect models and illusive ideals... let us have one God, one Mind, and that one perfect, producing His own models of excellence.

S&H 471:13

"Let God be true, but every [material] man a liar."

S&H 239:5

Let worth be judged according to wisdom...

S&H 62:20

Let no mortal interfere with God's government by thrusting in the laws of erring, human concepts.

S&H 91:5

Let us rid ourselves of the belief that man is separated from God, and obey only the divine Principle, Life and Love.

S&H 684: 18 (From a letter in S&H)

My little girl, some ten months old, was afflicted with constipation. It was so severe I dreaded to go out anywhere with her, as I knew not when she would be taken with a convulsion. I had tried all the usual remedies in such cases, but it seemed to grow more obstinate. There was a Christian Scientist living in the same house with us, a Scientist

who **let** her light shine, and while she said little, I felt the reflection of Love.

I had no knowledge of the teachings of Christian Science, save that God was the physician at all times. In my own way I believed He was all-powerful, and I said to my husband one day, "I am through with medicine for our baby. I am just going to leave her in God's care and see what He will do. I have done all I can." I did as I said, laid my burden at God's feet, and did not pick it up again. In two days the child was perfectly natural, and has since been free from the trouble. She is now six years of age. - M. A. H., Brockton, Mass.

S&H 542:18

Let Truth uncover and destroy error in God's own way.

S&H 201:13

Let us disrobe error. Then, when the winds of God blow, we shall not hug our tatters close about us.

S&H 30:26

Allow Soul to hold the control.

S&H 355:9

Let discord of every name and nature be heard no more. **Let** the harmonious and true sense of Life and being take possession of human consciousness.

S&H 495:14

Allow nothing but His likeness to abide in your thought. **Let** neither fear nor doubt overshadow your clear sense and calm trust, that the recognition of life harmonious--as Life eternally is--can destroy any painful sense of, or belief in, that which Life is not. **Let** Christian Science, instead of corporeal sense, support your understanding of being, and this understanding will supplant error with Truth, replace mortality with immortality, and silence discord with harmony.

S&H 208:17

Let us learn of the real and eternal, and prepare for the reign of Spirit, the kingdom of heaven.

S&H 699:27 (From another letter in S&H)

Prior to my investigation of Christian Science I had no desire for anything of a religious nature,-- orthodox teaching never appealed to me as a rational exposition of an all-wise God. I now have no more doubt whatever that Christian Science saved me from the grave... that through it the door of consciousness was opened to **let** in the light of Truth. Thus I have progressed a little way in the knowledge of God, good, as revealed in Christian Science.--C. B., Webb City, Mo.

S&H 274:23

Divine Science is absolute, and **permits** no half-way position in learning its Principle and rule--establishing it by demonstration.

S&H 144:3

Let us rely upon Mind, which needs no cooperation from lower powers...

S&H 246:27

Let us shape our views of existence into loveliness, freshness, and continuity, rather than into age and blight.

S&H 242:15

Let us labor to dissolve with the universal solvent of Love the adamant of error,--self-will, self-justification, and self-love...

S&H 248:25

Let unselfishness, goodness, mercy, justice, health, holiness, love--the kingdom of heaven--reign within us...

S&H 302:14

Let us remember that harmonious and immortal man has existed forever.

S&H 367:17

Let us watch, work, and pray that this salt lose not its saltness, and that this light be not hid, but radiate and glow into noontide glory.

S&H 384:3

Let us reassure ourselves with the law of Love.

S&H 495:14

Allow nothing but His likeness to abide in your thought.

S&H 547:31

"And whosoever will, **let** him take the water of life freely."
